Resolutions of Respect.

Adopted by the Marlinton Lodge No. 120 I O O. F. at a regular meeting held at their hall, September 20th, 1907.

Brother George Preston Tyler was born at Edray February 23th, 1873, was reared on the farm near Edray. He married Miss Linnie Lee Moore, daughter of Jacob Moore, and built a home on the old homestead where he resided. He joined the Marlinton Lodge of Independent Order of Odd Fellows on the 13 day of February, 1898, and ever remained loyal to its teachings and principles and as a neighbor, brother, husband and friend his life was worthy of remembrance.

Therefore be it Resolved, that Whereas, in the wisdom of the all wise God it was soon best to remove Brother Tyler from this earthly sphere of action to one in an eternal home, be it therefore Resolved that we bow in deep submission to his omniscient will though in sorrow we part with our esteemed brother and friend who has many times made glad our evening gatherings and who always stood ready to help a needy brother.

Be it further Resolved, that, in the death of Brother Tyler we realize that a good Odd Fellow has been called from our midst to reap his reward in an eternal home, and in memory of him let us cherish his virtues and if any vice we behold in his life let the mantle of charity and the spirit of our beloved order hide away.

Be it further resolved, that, in memory of his good deeds and his pleasant associations we drape the charter of this lodge in mourning.

Be it further resolved, that, we extend our sympathy to the bereaved parents, wife and friends and that a copy of these resolutions be spread upon the minutes of this Lodge and the same be sent a copy with the seal of the Lodge hereto, to the bereft wife and a copy to the Marlinton Messenger and Poca-
for publication.
